

Our Kitchens & Boards

We offer interior design services for kitchens and wardrobes. Client is often charged Kes. 10,000 for taking measurements as well as doing the design work as per client measurements. This is normally treated as your deposit once client gives us the job, else its for gone as charges for the design work done. Our rates for kitchens are based on the material used (Finishing), carcass being block board and charged per running meter for either / each lower level and higher level.

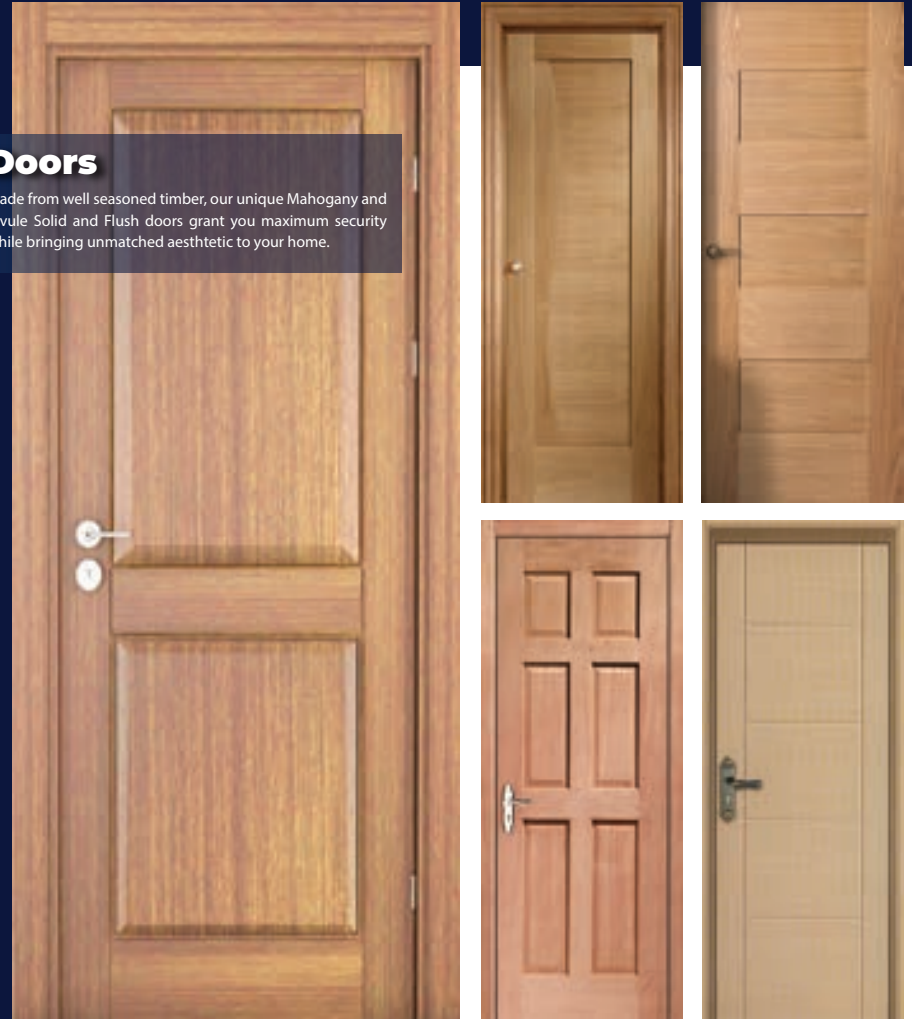

Choose from our deluxe variety of boards with different textures, colors and feel to suit your particular design needs including:

- Particle Boards
- Block Boards
- Gloss (Particle/MDF)
- PVC Foil Wrap
- Hardwood
- Mahogany/Meru oak

Doors

Made from well seasoned timber, our unique Mahogany and Mvule Solid and Flush doors grant you maximum security while bringing unmatched aesthetic to your home.
